

directions for finding your mrs

you will need:

- your birthdate
 - place of birth
 - time of birth (the exact time you were born is needed to accurately determine your rising sign (also known as “ascendant”) – *this is the sign that was coming up over the horizon when you were born and it changes every 2 hours!*)
-
- go to astro.com and select “free horoscopes” from the top of the page
 - select “charts & data,” then choose “chart drawing, ascendant”
 - select “for visitors who do not yet have a user profile”
 - enter your birth data as directed
 - review your chart to reveal your moon, rising (ascendant) and sun signs
